Announcements

CE Activity Application Timelines – Updated!

Please note that CE activity applications should be submitted at least 90 days prior to the start date of the activity. Specific timelines for each activity type are listed below.

- Course applications **will not be accepted within 60 days** of the start date
- RSS applications **will not be accepted within 45 days** of the start date
- Enduring material applications do not have a timeline for submission

2024 Continuing Education RSS Parent Activity Applications

RSS Activity Applications for 2024 with a start date of 1/1/2024 will need to be submitted no later than **October 3, 2023**. CE applications must be submitted at least 90 days prior to the intended start date to avoid a late fee.

Please **do not use the copy or duplicate option with applications**. Coordinators will need to select  in the application portal.

The pdf copy of the 2023 RSS parent activity application can be used as a reference while completing the application for 2024. For additional support, please email ce@wmed.edu.

 Featured Activities

42nd Annual Kalamazoo Community Medical and Health Sciences Research Day

The 42nd Annual Kalamazoo Community Medical and Health Sciences Research Day will be held April 3-4, 2024 at W.E. Upjohn M.D. Campus in Downtown Kalamazoo, Michigan. This is an opportunity to highlight the breadth of research and scholarly activity accomplished by our scientific community.

The 2024 Research Day will showcase WMed efforts to promote translational research from bench to bed side and will feature highly focused talks on topics that include, but not limited to, basic and translational science, clinical research, public health, medical ethics and law, social and behavioral sciences, and education-related research.

The event will consist of a series of oral presentations, poster sessions, and workshops.

- April 3: 5:00 pm -7:00 pm, 1st poster session.
- April 4: 8:00 am - 12:30 pm, Oral sessions followed by the 2nd poster session.

All faculty, residents, post-doctoral fellows, students and staff are encouraged to attend and participate.

Healthcare Credits for Michigan Licensure

The Healthcare Credits for Michigan Licensure Conference, scheduled for October 3 in the W.E. Upjohn M.D. Campus Auditorium, is an opportunity to attend sessions related to required learning opportunities and stay ahead in your medical licensure journey. It will focus on providing the specific requirements needed for one's medical license renewal (implicit bias, medical ethics, pain management, and human trafficking sessions). This one-day conference will allow you the opportunity to fulfill your licensure requirements in a convenient and engaging manner.

Registration is open, but seating is expected to fill up. For more information or to register, visit: <https://wmed.cloud-cme.com/course/courseoverview?p=1&eid=30546>

WMed Well-Being Promotion/Suicide Prevention Symposium

Mark your calendars for the 2nd Annual WMed Well-Being Promotion/Suicide Prevention Symposium on **September 15, 2023!** This Symposium aims to raise awareness, provide education, and encourage conversation about the importance of mental health and well-being in our healthcare and medical school communities.

This invitation is extended to all medical professionals in our community.

Registration is open. For more information or to register, visit: <https://wmed.cloud-cme.com/course/courseoverview?P=5&EID=30326>

WMed Implicit Bias – Online Learning Course

The Office of Continuing Education collaborated with Cheryl Dickson, MD, MPH and Surangi Pradhan, MBA to launch a new enduring material titled "WMed - Implicit Bias". This course will address self-awareness of knowledge, skills, and emotional limitations, and educate learners on how to advocate for quality patient care and optimal patient care systems. It will also expose learners to the proper way of demonstrating sensitivity and responsiveness to a diverse patient population (gender, age, culture, race, religion, disabilities, sexual orientation, etc.) and how to work with other healthcare professionals to establish and maintain a climate of mutual respect, dignity, diversity and ethical integrity.

WMed - IMPLICIT BIAS
ONLINE LEARNING COURSE

More information and access to the enduring material can be found here: <https://wmed.cloud-cme.com/course/courseoverview?P=0&EID=30472>
