## CE Office Welcomes New Coordinator

We would like to officially introduce our new CE Program Coordinator, Kristi Kling. Kristi's previous experience includes seven years as an Educator at Portage Public Schools and 10 years at Gull Lake Community Schools. She has a Master of Education in K-12 Reading Specialist at GVSU and a Bachelor of Arts in Language Arts Composite from Hope College. Kristi enjoys hiking, skiing and other outdoor activities, traveling along with her son's travel sporting events, watching her daughter dance, playing drums, reading, and cooking! We are excited to add Kristi to our team to assist with Coordinators and RSS activities.

## A Look at CE So Far

The Office of Continuing Education has been hard at work preparing, reviewing and approving RSS, courses, conferences, and online enduring materials for 9 different credit types. The numbers below reflect data compiled from January 1, 2022 through September 6, 2022.

## Application Deadlines

- Per our policy, there is a 45-day minimum requirement for new CE applications. Applications may not be accepted with less than a 45-day lead time. **To avoid late fees, please submit your application at least 90 days prior to their start date.**
- If an application has been sent back for revisions, it must be resubmitted to the CE Office within two weeks to avoid delays in the approval process.
