Upcoming Conferences

WMed Human Trafficking Conference 2024

Thursday, February 29, 2024 8:00 a.m. - 12:30 p.m.

WMed W.E. Upjohn M.D. Campus, Kalamazoo, MI

Human trafficking – you might know what this is, but do you know what to do if you encounter this in the clinical setting?

This 4-hour event will include a lecture series about human trafficking's intersection with health care as well as a chance to apply the knowledge participants gain in cases in WMed's simulation center. Attendees will learn how to recognize trafficking, safely intervene, and use resources to aid patients being trafficked.

40th Annual Developmental Disabilities Conference

Tuesday, April 16, 2024, 8:00 a.m. - Wednesday, April 17,

WMed Diversity, Equity, and Inclusiveness Podcast: Health Equity in Cancer Treatment

Release Date: Monday, December 18, 2023

In this episode we explore the forefront of cancer care in Kalamazoo. Our guest, David Shalowitz, MD, MSHP shares their expertise on current disparities, the 'whys' behind them, and the intersectionality of social determinants in rural and urban cancer care access. We delve into building trust in communities of color, especially in early prevention and clinical trial participation.

2024, 4:00 p.m

Kellogg Hotel & Conference Center, East Lansing, MI

The Annual Developmental Disabilities Conference focuses on issues related to healthcare, social, community, and educational services that are of critical importance to the future of persons with developmental and/or intellectual disabilities. The program will provide an overview of issues related to the spectrum of services currently available as well as strategies for enhancing these services.

This educational program is designed for physicians, nurses, psychologists, social workers, therapists, educators, nutritionists, home care providers, and other professionals interested in the delivery of care and services to persons with developmental disabilities.
