

## Happy New Year from the Office of Continuing Education!

### What's New – January 15, 2020

#### New Evaluations for 2020

Kelsey Caras, Data and Development Specialist

We have new and improved evaluations starting in 2020 to meet new accreditation standards. If you have not already filled out an evaluation this year, the form will look a little different. If you have any questions or concerns regarding the evaluation, please send an email with the subject line **Attention: Data and Development Specialist** to the CE Office: [ce@med.wmich.edu](mailto:ce@med.wmich.edu)

#### Reminder - Claiming Credits

Courtney Puffer, Program Specialist

When claiming credits, it is important to remember the process has **two steps**. **First**, report your attendance during or within **12 hours** after the activity by texting the activity code, entering the code in the **CloudCME mobile app**, or entering the code on the WMed CE Portal website. **Second**, complete the evaluation on the CE Portal or in the mobile app within **30 days** of the activity.

#### Tech Tips

Ian Donmoyer, Instructional Technology Coordinator

If you are having trouble signing in, please **do not** create a new account. Email the CE Office for assistance. Check out our updated Help page for more tips!
