How You Can Earn CE Credits for COVID-19 Response

- **Coordinators:** If your activity, meeting, podcast, conference, etc. is COVID-19 related, we've rolled out an expedited application form. This form can be found here: [COVID-19 Workplace Learning Application Form - ACCME \(PDF\)](#)
- Per the State of Michigan Executive Order 2020-49*, WMed is helping to award and track continuing education credits in relation to the COVID-19 pandemic. For more information and to complete the form, [please visit the COVID-19 page on the WMed CE Portal.](#)

**State of Michigan Executive Order 2020-49 issued April 14, 2020, 8:18 pm (rescinds EO 2020-13): 5) "Effective immediately and continuing through May 12, 2020 at 11:59 pm, LARA may recognize hours worked responding to the COVID-19 pandemic as hours toward continuing education courses or programs required for licensure"*

Evaluation Email Reminder Issue Resolved

We were made aware of an issue regarding evaluations expiring before follow-up of commitment to change could be documented. This resulted in email reminders with expired links being sent out to users. This has been addressed - please revisit those emails and update us on your commitment to change information. Thank you.

CE Staff Awarded

A HUGE shout out to our Data and Development Specialist, Kelsey Caras, who received the Healthcare Continuing Professional Development Associate Certificate through the Alliance for Continuing Education in the Health Professions on March 14, 2020! Congratulations Kelsey!
